

## BUSINESS FUNDAMENTALS BOOTCAMP

AAF Co-Managing Partner, Dave McManus, and AAF Manager, Jeffrey Warfield, presented "Death by Taxes - How Taxes Can Be Your Downfall!" at the Cambridge Innovation Center's Business Fundamentals Bootcamp on October 21st.

### **What is Business Fundamentals Bootcamp?**

The Business Fundamentals Bootcamp Series is designed especially for CEO's and CXO's of early development and growth stage companies. Over 20 speakers and panelists lend their expertise on tactical issues and opportunities for growing businesses focused specifically on Finance & Administration, Strategy & Marketing, Management & Operations, and Legal & Risk Management.

The curriculum is tactical in nature, providing expert guidance, tools and takeaways that business leaders need to address to successfully grow their business. The event concludes with a networking reception for participants and presenters.
