### **The Boston Globe names Alexander, Aronson, Finning & Co. to Globe 100's Top Places to Work '08**

Boston, MA November 9, 2008 – Alexander, Aronson, Finning & Co. has been named one of the Top Places to Work in Massachusetts in the debut of an employee-based survey project from The Boston Globe. The Globe 100's Top Places to Work magazine was published in the Sunday Globe on November 9. Online, the report can be found at [boston.com/business](http://boston.com/business)

Produced by the same team that compiles the 21-year-old Globe 100 report of the best-performing public companies in Massachusetts, the Top Places to Work recognizes the most progressive companies in the state based on employee opinions about company leadership, compensation and training, diversity/inclusion, career development, family-friendly flexibility, and values and ethics. Private companies and nonprofits as well as publicly-held businesses were included in the analysis.

The rankings in the Globe 100's Top Places to Work are based on survey information collected by Workplace Dynamics, an independent company specializing in employee engagement and retention, from 120,000 employees at about 600 Massachusetts organizations. This marks the first time that a Globe 100 report honors private as well as publicly-held organizations.

Out of 600 companies analyzed in all industries and segments, Alexander, Aronson, Finning & Co. was ranked 19<sup>th</sup> on the overall list. In addition to being the highest ranked CPA firm in MA, Alexander, Aronson, Finning & Co. was also ranked 8<sup>th</sup> on the list for small workplaces and 3rd on the career development list.

The publisher of The Boston Globe Steve Ainsley stated, "All the companies included in the Globe 100's Top Places to Work deserve a great deal of recognition. It's clear that they value their employees and make it a priority to create a positive workplace."
